BIG "GREEN" DAY

Saturday 18th July 2009
Stour Meadows, Blandford St Mary
10.00am - 6.00pm

FREE ADMISSION

Climate Change doesn't have to be all bad news!!

The Big **Green** Day is a chance to celebrate the wonderful local environment in our part of Dorset and find out about practical ways we can live in a more sustainable and eco-friendly way.

Find out about local products and produce, recycling, growing your own veg., visit the Big **Green** Market, reducing your carbon footprint, alternative energy (it might even save you money), and much more!

Discover what we can all do to make a real difference to the future of the planet by making some simple but effective changes to our daily lives. Decide to do something different, join an action group or campaign, become a volunteer... and have fun into the bargain.

A great day out with music, food, stalls, information and activities.
