Additional information

1. Neither Dorset County Council nor the District Council is able to answer Q4 (road proposals by private bodies).
2. We require 3 plans with every search showing the location and curtilage of the land or property to be searched against edged in red.
3. Our DX number is DX 142920 Blandford Forum 2.
4. Our fax number is 01258 484388
5. We no longer answer the drainage questions. Searches should be submitted to Wessex Water
6. In the event of you requiring a personal search being carried out, we would draw your attention to the fact that a personal search is ONLY a search of the Local Land Charges register. It is NOT the same as an official search completed and signed by the local authority and should not be seen as such.
