LEISURE CENTRE OPEN ALL WEEK IN SHAFTESBURY

Staff at Shaftesbury Leisure Centre have reworked their opening times to enable local people to have access to the centre seven days a week.

Starting on Saturday 28 June Shaftesbury Leisure Centre will be open seven days a week with the introduction of Saturday morning opening from 8am – 12 noon.

Nico Stone, manager of the centre, said: “Everyone at the leisure centre is keen to offer the best possible service to the residents of Shaftesbury and this extra opening session will be particularly useful for people who are only able to use the centre on a weekend.”

Shaftesbury Leisure Centre offers the Inspire fitness suite for working-out in an air conditioned environment with facilities for personalised audio visual accompaniment. There is also a variety of daytime and evening exercise classes which include state of the art X-Biking and a floodlit Astro turf for both football, netball and tennis.

And to round off the perfect workout, exercise session or football game, why not relax in the centre’s calming sauna.
